# Christmas Handprints

## Introduction

This is a fun and messy Christmas craft resource for all of your friends and family to join in! Learn how to create Christmas pictures using your hands and fingerprints. Will you create some art work and frame it, or create your own Christmas cards to send to your friends and family?

Make sure to have a wipeable cover over your table, an apron and lots of warm soapy water on hand to clean up the mess!

On the next page you'll find an accessible guide to the resources that you'll need for the activity.

You can watch a video of one our leaders showing you how you can use this creative activity [here](#).
